

## **COLLECTORS, ART LOVERS**

Experienced collector, art lover, novice wishing to approach art for the first time, benefit from an informed perspective and support in the project to enrich your collection or for your first acquisition. We work and move forward together according to your tastes and your budget.

## **COMPANIES**

Enhance your image and your communication by acquiring works of art and building a business collection. I am here to support you and carefully choose the work (s) that highlight your business. Advantageous taxation is available to you to facilitate your project.

## **INTERIOR DECORATORS**

Enrich your projects and offer additional service to your customers by integrating a selection of works of art that I develop in line with your world and the expectations of your customers.

## **WEALTH MANAGERS**

Differentiate your offer and offer diversification of investments to your clients. Buying art is an ideal way to invest while having fun. It is an interesting optimization solution in terms of taxation. My knowledge of the art market, of artists, allows me to offer works of sure value for a better profitability.
